Subject: Final Approval of Permit Transfer, Browns Canyon Stone Works LLC., Brown's Canyon Mine, M/043/0021, Summit County, Utah

Dear Mr. Sorensen:

On March 19, 2012, the Director of the Division of Oil, Gas and Mining approved the Replacement Surety and Reclamation Contract for the Transfer of Notice of Intention (NOI) for the Browns Canyon Rock Quarry from BMW Stone Inc. to Browns Canyon Stone Works LLC. You are now solely responsible to conduct mining and reclamation as outlined in the approved NOI. BMW Stone is hereby released from any further reclamation liability under this permit.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form MR-REV(SMO/EXP) located on the Division's website www.ogm.utah.gov/minerals. You may not implement these changes until you receive Division approval of the amended/revised NOI.

Thank you for patience in completing this permit transfer. Please refer to file M/043/0021 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257.

Sincerely,

Paul Baker
Minerals Program Manager
